

Dear Festival Committee,

I just wanted to tell you what a wonderful time my family had at your carnival on Saturday 9/6/08. It was so well organized & the people running it were very friendly. We planned a trip to Nashville & found this activity on the internet. It turned out being one of the highlights of the week for myself & my 2-year old son. It was the perfect size for him. He especially loved dancing to the music & playing in the bubbles.... oh & →

he couldn't stop talking about the pony ride. We also had a wonderful time at Nashville shores the next day!

Thanks again for making our vacation such a fun time!
